***Promotional Balance Transfer Offer:** You must apply by December 31, 2020, in order to be eligible for the current promotional balance transfer offer of a 0.97% interest rate for 6 months. For current promotional rate and term, if any, after this date, go to pcfinancial.ca or call 1 866 246 7262. Offer is available to eligible new customers only, within 90 days of Account approval. This offer may be changed, extended or cancelled without notice. Promotional interest rate is annual and applies, unless your Account is in default, only to the transferred amount for 6 months after the transaction date, after which the Cash Advance interest rate applicable to your Account applies to any remaining balance until the balance is paid in full, unless your Account is in default. Balance transfers are treated like Cash Advances and interest is charged from the date the transfer occurs, which may be up to 30 business days from your activation of the Account. Continue making your minimum payments on accounts from which you are transferring until the balance transfer amounts are credited to those accounts in order to avoid late charges and penalties. If the total amount to be transferred is more than your available credit limit, PC Bank may send your creditors either full or partial payment up to the amount of your available credit limit. PC Bank reserves the right to limit the number and amount of balance transfers and to decline them for any reason. Balances from other *President's Choice Financial* accounts are not eligible to be transferred. Stop payments are not allowed. *PC Optimum* points are not earned on balance transfers unless otherwise specified. Please refer to your Cardholder Agreement and Card Carrier disclosures for further information.

****Account Balance Protection – Standard (“ABP”):** This optional insurance plan covers you in three different ways:

1. If you were to become disabled or lose your job involuntarily before age 65 while enrolled in the plan, it pays 3% of your *President's Choice Financial* Mastercard balance at the date of disability or job loss each month for up to 2 years starting after 30 days of disability or unemployment.
2. If you were to be hospitalized for more than 7 consecutive days before age 70 while enrolled, it would make a one-time payment of 3% of the outstanding balance of your *President's Choice Financial* Mastercard as of the date of hospitalization, up to \$500.
3. It would pay up to \$15,000 to cover the outstanding balance on your *President's Choice Financial* Mastercard as of the date of death or injury in the event of your loss of life or accidental dismemberment. This death and dismemberment benefit covers you and any authorized user who is your spouse.

To enrol in ABP you must be 64 years of age or younger and presently employed full-time, which means you must be actively at work 30 hours per week and have been in the same job with the same employer for at least the last 3 consecutive months. You cannot enrol in the ABP insurance plan if you are self-employed. The monthly premium that will be charged to your *President's Choice Financial* Mastercard is \$0.99 per \$100 of your current month's statement balance, plus applicable taxes. For example, if the balance on your monthly statement was \$300 on the statement date, the cost would be \$2.97 plus applicable tax. ABP coverage is provided by The Canada Life Assurance Company (Canada Life). For those who are eligible and enrol, coverage is afforded under a policy of group insurance issued by Canada Life to *President's Choice Bank*. Canada Life can be contacted at 1 877 789 4182. Canada Life will send you the Certificate of Insurance for the ABP plan. In this material you will find your welcome letter which states the effective date of your coverage. The coverage is not effective immediately. The effective date of your coverage will be up to 9 business days from the date that you first activate your card; or up to 9 business days from your enrolment if you already have an active card on your enrolment date. You can cancel your coverage at any time by calling the toll-free number listed in your Certificate of Insurance. Should you choose to cancel this coverage within the first 30 days of your coverage becoming effective, any premiums billed to your *President's Choice Financial* Mastercard will be refunded.

Like all insurance there are limitations and exclusions that apply. Notably, in respect of the involuntary unemployment and disability benefit, you must be gainfully employed on a full-time basis at least 30 hours per week with the same employer in the 3 consecutive months prior to any claim arising. **IMPORTANT EXCLUSIONS** include things like suicide, criminal offences, seasonal unemployment, pre-existing conditions, self-employment, leaves of absence including maternity leave or paternal leave, unemployment within 30 days of the effective date of coverage and hospitalization or disability relating to pre-existing conditions resulting in a claim within 6 months of the coverage effective date, normal pregnancy or childbirth, or abuse of drugs or alcohol, among others. You should review the Certificate of Insurance for a full list of exclusions. Once enrolled you may make a claim by calling Canada Life at their number set out in the Certificate of Insurance. You have 30 days from the date a claim arises to inform Canada Life. If you disagree with a decision in respect of a claim, there are rights of appeal that are further described in the Certificate of Insurance. *President's Choice Bank* receives compensation in connection with the ABP insurance plan.
