Upon activation of your *President's Choice Financial World Mastercard*<sup>®</sup>, a special *PC Optimum* earning rate of 20 *PC Optimum* points per \$1 spent on your card(s) on eligible purchases at participating stores where *President's Choice* products are sold will apply only to the dollar amount of these purchases charged to any card on your account. You will earn the regular 10 *PC Optimum* points per \$1, plus you will earn an extra 10 *PC Optimum* points per \$1 charged on your card(s) for these purchases. You will also be eligible for any bonus *PC Optimum* points offers made to all *President's Choice Financial World Mastercard*<sup>®</sup> customers, however, please note that all such offers are calculated separately and based on the regular *PC Optimum* points earnings rate; one offer does not multiply another. All other terms and conditions of the *PC Optimum* points program apply. For details, visit [pcfinancial.ca](http://pcfinancial.ca) and click on the "Legal Stuff" link.
